WHY LIFE INSURANCE? WHAT DOES IT COVER?

No one really wants to ever think about life insurance. But if someone depends on you financially, it's a topic you can't avoid. In the event of a tragedy, life insurance proceeds can: pay for funeral costs, help pay the bills and meet ongoing living expense, pay off outstanding debt including credit cards or a mortgage, continue a family business, cover children's education, or protect a spouse's retirement plans. You never know when you and your family will need insurance.

That's why it's important to have a partner like TRICOR who can help you plan ahead.
